Re: Marone v. Garden City, et al.
14-CV-4214 (SJF)(SIL)

Dear Judge Feuerstein,

The Nassau County Attorney's Office represents Nassau County. On September 11, 2014 our office received, via certified mail return receipt requested, a copy of Plaintiff's summons and complaint in connection with the above-referenced matter. It also appears from the summons' rider that a certain PO Paul Hennessey and Detective Madden [named defendants] were mailed copies at 1490 Franklin Ave., Mineola, NY 11591 [Nassau County Police Department Headquarters].

It appears that the summons and complaint have been erroneously sent to Nassau County Police Department ("NCPD"). The complaint alleges that the law enforcement agency involved was Garden City Police Department. *DE# 1 at III.B. and IV.* The complaint further alleges that the officers were also from the Garden City Police Department. *Id.* In addition, this office has requested that NCPD Records conduct a search for PO Paul Hennessey (Badge #130) and Det. Madden (Badge #91) and no such NCPD personnel was found.

Thus it appears that the summons were transmitted to NCPD and this office in error by the US Marshall Service. Upon information, it is believed that the agency involved in this incident may have been Garden City and the named individuals are Garden City Police Department personnel.
